transaction records, correspondence, website usage data, device data, IP addresses, location data, compliance documents, source-of-funds information, and any information needed for lawful business and compliance purposes.

5.3 Purpose of Processing

Personal information may be processed to respond to enquiries, issue quotations, fulfil orders, provide services, communicate with clients, process payments, perform AML/KYC checks, prevent fraud, manage disputes, comply with law, improve security, keep records, and support business administration.

5.4 Sharing of Information

The Company does not sell personal information. Information may be shared with banks, payment processors, professional advisers, suppliers, logistics providers, compliance service providers, regulators, law enforcement, courts, or other parties where necessary for lawful business, fraud prevention, compliance, or service delivery.

5.5 Cross-Border Processing

Where cross-border processing is required, the Company will take reasonable steps to ensure that personal information is handled in accordance with applicable legal and security requirements.

5.6 Data Subject Rights

Clients may request access to, correction of, or deletion of personal information where permitted by law. Requests may be subject to verification, lawful limitations, retention obligations, and administrative procedures.
