

HAVILAH & ASHER GROUP

SECTORS & SUB-SECTORS UNDER REVIEW / INTENDED COMMERCIAL FOCUS

Effective Date: 29 April 2026

IMPORTANT WARNING: This document does not confirm stock, pricing, mandate, availability, transaction approval, payment approval, or guaranteed execution.

Havilah & Asher Group Roads Civils Oil Gas Petroleum Electrical Construction International (Pty) Ltd is presently positioned in a structured Phase 1 controlled commercial activation stage, with a broader Phase 2 private platform roadmap under development.

The sectors and sub-sectors listed below are presented for intended commercial focus, sourcing review, application intake, client enquiry classification, internal review, and future marketplace categorisation purposes only.

Listing any sector, sub-sector, product, commodity, service, or opportunity does not confirm that Havilah & Asher Group presently holds stock, mandate authority, product ownership, pricing authority, refinery allocation, mine allocation, supplier allocation, buyer allocation, export approval, transaction readiness, payment approval, banking approval, or guaranteed commercial execution.

Review Requirements

All enquiries, applications, introductions, sourcing requests, supply opportunities, buy-and-sell transactions, facilitation requests, JV opportunities, and sector engagements remain subject to:

- AML / KYC / CIS review
- counterparty verification
- proof of authority
- proof of product or proof of funds where applicable
- source-of-funds and source-of-wealth review where applicable
- sanctions and risk screening
- documentation review
- product availability
- pricing confirmation

HAVILAH & ASHER GROUP

- Direct client engagement
- Business development
- Transaction support
- Document coordination
- Market enquiry classification

Special note: Trade and commerce opportunities do not guarantee transaction execution. Any commercial opportunity remains subject to verification, documentation, agreed fees, written authority, compliance review, and signed agreements.

7. Property, Assets & Project-Linked Opportunities

This sector may include selected property-related, asset-related, and project-linked commercial enquiries where lawful and properly documented.

- Property-related opportunities
- Commercial property
- Project-linked assets
- Asset-related introductions
- Development-related enquiries
- Infrastructure-linked property opportunities
- Strategic asset discussions, where approved
- Investment-related introductions, where lawful and approved

Special note: Property, asset, and project-linked enquiries may require ownership verification, authority documentation, valuation review, legal review, regulatory compliance, financial verification, and written agreement.

Application and Review Notice

Applicants, buyers, sellers, suppliers, mandates, facilitators, JV partners, and prospective clients may be required to submit the correct AML / KYC / CIS documents before any opportunity is reviewed.

Submission of an enquiry or application does not create any right to:

- access confidential counterparty details
- receive buyer or seller contact information
- receive product documents
- receive pricing documents
- receive proof documents
- be accepted as a client
